1.2. Termination Policy

If you terminate your receipt of the Services prior to the end of the Initial Term or the Renewal Term, whichever is then applicable, (a) Stover Data Systems will not refund to you any fees paid in advance of such termination and (b) if paying quarterly, you shall be required to pay 100% of Stover Data Systems' standard quarterly charges for quarters remaining in the annual term,

unless otherwise expressly provided in this Agreement. Notwithstanding the foregoing, if you terminate your receipt of Shared Hosting Services prior to the end of the first thirty (30) days of the Initial Term, you are entitled to a refund of the fees you paid in advance for the annual Services, not including any setup fees. Your termination request or notice must be submitted to Stover Data Systems in the manner described in Section 1.1. Stover Data Systems may terminate this Agreement at any time and for any reason by providing to you written notice thirty (30) days prior to the date of termination. If Stover Data Systems terminates this Agreement, Stover Data Systems will refund to you the pro-rata portion of prepaid fees attributable to Services (excluding setup fees) not yet rendered as of the termination date unless otherwise expressly provided in this Agreement. If termination was enforced due to violations that result in damages or fees assigned to Stover Data Systems on your behalf, no refunds shall apply and you will be held liable for such fees.
